Dear Sir:

We would like to express our appreciation for your generous cooperation last year. This year we are again involved in testing of various types of foreign equipment. As before, some of this equipment is of a classified nature and frequently instructions for its use must be translated and interpreted.

It is, therefore, requested that serious consideration be given to allow Mr. Tscherim Soobzokov, still in your employ, a leave of absence for the period from 12 to 26 July 1958, to aid this organization in the urgent matter explained above, which is in the interest of national security.

Mr. Soobzokov has been informed of this request and has tentatively given his consent to afford us his services provided his position with your company is not jeopardized.

It would be appreciated if you would correspond with the undersigned, as soon as possible, concerning your decision in this matter in order that we may plan Mr. Soobzokov's work schedule and arrange for his compensation and expenses.

Sincerely yours,

EDWARD C. POMI
Lt. Col., ARTY.
Commanding
